BY PATIENTS, FOR PATIENTS

Responsible use guide

At Treehouse Distribution, we're committed to promoting the safe and responsible use of cannabis. This guide provides key information to help you enjoy and use cannabis responsibly while staying informed about its effects and legal considerations in Australia.

Know the law.

- Cannabis laws vary by state and territory. Ensure you are aware of local regulations regarding possession, use, and cultivation.
- It is illegal to drive under the influence of cannabis. Always wait an appropriate amount of time before operating vehicles or machinery.
- The legal age for cannabis consumption varies. Only adults of legal age should use cannabis products.

Use Responsibly.

- Start with a low dose, especially if you are new to cannabis. Effects can take time to set in, particularly with edibles.
- Avoid mixing cannabis with alcohol or other substances, as this can amplify impairments and increase risks.
- Use cannabis in a safe, comfortable environment and in the presence of trusted individuals.

Health & Safety.

- If you have a medical condition or are taking prescription medications, consult a healthcare professional before using cannabis.
- Smoking cannabis can affect lung health. Consider alternative consumption methods like vaporizers, tinctures, or edibles.
- Keep cannabis products secure and out of reach of children and pets.

Mental Well-being.

- Cannabis affects individuals differently. If you experience anxiety, paranoia, or discomfort, take a break and hydrate.
- Regular, heavy use can impact memory, motivation, and mental health. Use in moderation and be mindful of your consumption habits.
- Seek support if cannabis use starts to negatively impact your daily life, relationships, or responsibilities.

STORE IN A COOL DRY PLACE AWAY FROM CHILDREN

Enjoy cannabis safely and responsibly.
